This announcement is made by Topsearch International (Holdings) Limited (the “**Company**” and together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”).

The board of directors (the “**Board**”) wishes to inform the shareholders of the Company and the potential investors that the Group is expected to record a loss for the six months ended 30 June 2011 whilst the Group's unaudited consolidated interim results for the six months ended 30 June 2010 also recorded a loss.

Based on the analysis of the information currently available, the net loss has been moderately increased as compared to the corresponding period in the year of 2010. The Board believes that the loss was mainly attributable to (i) the drop of sales margin and also (ii) the general rise of expenses arising from both the inflation and progressive appreciation in Renminbi. The Board considers that the financial position of the Group remains sound and the Group is capable of financing its operations by its own internal resources and available banking facilities.
